I would keep the question to "What's the Status of the Allied Paper Site?" The responses should only focus on the landfill and Maybe the first bullet should be that EPA is planning to propose a cleanup option during the summer. I would have some other bullets indicate the last public meeting and the next planned public meeting. You might also consider a bullet on redevelopment and/or additional groundwater sampling. In the background I would be sure and mention the bankruptcy and the money available from the bankruptcy. Also that the FS was released, the options include capping to total removal with a cost range from X to Y.

Hi Jim and Mike,

Ronna is requesting that we prepare an updated congressional hearing fact sheet for the Allied Paper Site. Attached is the new template to fill out and an example of one that was done last year for Waukegan using the new template, as well as fact sheet you did previously for this site using the old template. Ronna recommends keeping these really short and to the point, and picking the most obvious question or two about the site (it's fine if it's basically, "what's the status?").

I have never seen these before, but if you have any questions please ask and I will try my best to get them answered. Ronna wants these by this Wednesday at the latest, so I would appreciate it if you could send me a draft by COB Tuesday, March 11 so Doug and Megan/me have time to review.

Thank you,

It's congressional appropriations hearings fact sheet time again.

We'd like the following fact sheets:

- 1) Wedron for Rep. Kinzinger;

- 2) DePue New Jersey Zinc for Rep. Kinzinger;
- 3) Allied Paper for Rep. Upton; and
- 4) Detroit International Wildlife Refuge for Rep. Dingell (please check with GLNPO to see if they have anything to add).

Please send your fact sheets to Eileen Deamer and me no later than **COB this Wednesday, March 12**. Feel free to share them with us as they are completed.

Please use the attached format and note that fact sheets must meet the following criteria:

- Limit fact sheets to one page in length using the attached template.
- Include only one question per fact sheet.
- Brief, 3-bullet list for talking points rather than lengthy paragraphs.
- Include resource information where applicable.

Please let us know ASAP if you can think of any other SFD issues that are likely to come up. The Region 5 House of Representative members are: Joyce (OH), Rush (IL), Shimkus (IL), Kinzinger (IL), Latta (OH), Schakowsky (IL), Johnson (OH), Upton (MI), and Dingell (MI). HQ's request doesn't include any senators from Region 5.

Let us know if you have any questions.

Thanks,
